Welcome to the CLM Assembly 2019

Paestum, September 17 - September 20, 2019

We welcome all new members!!!

Please talk to me or some other more experienced members

? how to best integrate into the community ?

- from which working group you benefit most and
- to which working group you can contribute best

Especially: new members are asked to make suggestions on the content of the “COSMO-CLM beginners manual”

What would you need and where would you look for it?

 email to clm.coordination@dwd.de
